For describing household composition and its changes during the monitoring period

Household Identifier:

Enumeration Area

--

Rotation

Household

Interviewer:

How many members does your household consist of? Also include those who are temporarily absent, for example, those who are temporary (less than one year) gone for travelling, receiving medical treatment, studying, working etc. Include also the persons who are not family members (relatives, friends etc.), but they are going to stay in this address for at least one year. (Do not include those who are going to stay in this household for less than one year).

[illegible]

¹This question should be answered by persons aged 15 years and over

² Under each sub-question circle: code 1 if the answer is "yes", code 2 if the answer is "no", code 9 if it is difficult for the respondent to answer
