

Approved by Resolution #25 of December 24, 2019 of the Board of Geostat

Statistical Survey of Service Producer Prices for the Activities of Travel Agencies						
Questionnaire N 06.2.10.4 (monthly)						
Name of Service	Service Characteristics	Measurement Unit	Fixed Fee for Service, GEL	Commission Rate, percent	Price of Travel, GEL	Comment

The table contains the following fields:

- ✓ **Name of Service** – in all types of travel agency's services the top four type of services with the highest share (e.g. airline ticket reservation, hotel reservation, car rental, full package tour, e.t.c), indicated in the beginning of the survey;
- ✓ **Service Characteristics** – the main characteristics of the indicated service that affect the price formation:
  - **In case of booking airline tickets** – airline, destination, class;
  - **In case of booking hotel** – name of hotel, class (the number of stars), type of room in the hotel;
  - **In case of car rental** - company, location, type of car;
  - **In case of full package tour** – name of travel agency, duration of tour, destination;
- ✓ **Measurement Unit** – measurement unit of the type of travel service (e.g. one package tour, one airline ticket, e.t.c);
- ✓ **Fixed Fee for Service** – in case the price is set as the fixed fee for service – the indicated amount of money for the service in reporting month;

- ✓ **Commission Rate (percent)** - in case the price is set as the percentage commission on service provided – commission rate in reporting month;
- ✓ **Price of Travel** – the total value of indicated service in reporting month (e.g. price of airline ticket, value of hotel, value of tour), GEL;
- ✓ **Comment** – other additional information.
