NOTICE:

1. The discrepancy between the totals and the sum in some cases can be explained by using rounded data;
 2. Information does not cover the data of Simplified Customs Declarations (Form №4);
 3. Information does not cover non-organized trade, also occupied territories of Abkhazian Autonomous Republic and Tskhinvali region;
 4. According to the international methodology, there are some differences in coverage of trade flows between external merchandise trade statistics and customs statistics. Diplomatic, temporary, transit and analogous goods are excluded from the database of external merchandise trade statistics.
-

The preliminary data will be revised according to the Geostat's revision policy (based on the regular revision principle) as a result of adjusting data by respondents/administrative sources.

Domestic exports include export of goods produced in the country, as well as imported from abroad, the value of which has significantly changed as a result of domestic processing.
