TERMS AND DEFINITIONS

Abortion – artificial termination of a pregnancy which is performed a) deliberately up to 12 months of pregnancy (based on woman's request); b) In accordance with medical and social indications, from 12 to 22 weeks of pregnancy.

Age - number of completed years based on date of birth, i.e. the age reached at the end of the reference year.

Age-specific fertility rate – number of births to women in a particular age group, divided by the number of women in that age group. It is expressed as average number of live births per 1 000 women in a specific age group.

Arrival (travel) - the crossing of the Georgian border by a non-resident traveller of Georgia for any purpose and any duration.

Bachelor's Programme – the educational programme of the first level of higher academic education, where the basics of corresponding specialities are taught in order to enable a person to work with the qualification acquired as a result of these studies and to continue studies for the Master's Programme.

Base year - the year with which the values from other years are compared.

Basic General Education (lower secondary) - level II of the International Standard Classification of Education - Second stage of basic education or first stage of secondary education. Provides the required minimum knowledge acquisition and includes grades VII-IX. Primary and basic education is compulsory.

Child dependency ratio - ratio of population aged 0-14 per 100 population 15-64.

Class – a group of pupils of a general education institution who meet on a temporary basis for at least one academic year in accordance with the recommendations of the National Curriculum and the statute of the educational institution, and study the general educational programmes of any of the levels of general education mainly together.

Computer users – Individuals who used computer (desktop, portable computer (laptop, notebook, netbook), tablet) independently at any place (at home, at work or at other places) at least once in a reference period.

Conditional sentences – sentence imposed on the convicted person under the judgment, which is not enforced in penitentiary institutions.

Convicts - persons against whom a court has passed a judgement of conviction.

The criminal prosecution is the state's legal response to a person who has committed a crime. Under current law, the initiation of a criminal prosecution is the sole discretion of the prosecutor. The criminal prosecution begins in two cases: upon the arrest of a person or upon his / her recognition as the accused. In order to recognize a person as the accused, a prosecutor's decree must be based on a body of evidence. The person against whom the criminal prosecution is carried out has the status of an accused.

Deaths - a termination of all vital functions without a possibility to be recovered.

Divorce - the fact of legal significance which is one of the grounds for termination of marriage between spouses, and is confirmed by the relevant individual administrative-legal act.

Doctoral Programme – the third level educational programme of a higher academic education, a

combination of educational, scientific research components for the training of scientific personnel, which is completed by the granting of a Doctor's academic degree

Emigrants - a person, recorded when crossing the National border, who left the country and has cumulated a minimum of 183 days of residence outside the country during the twelve following months, and who was usual resident of the country when leaving the country, which means that he spent at least a cumulate duration of 183 days of residence inside the country during the twelve months before leaving the country.

Employed – a person who during the reference period (7 days preceding the interview) worked for at least one hour for pay or profit or was temporarily absent from the job due to holiday, illness, maternity leave, technical, economic or other similar reasons.

Employment rate – expresses the number of persons who are employed as a percent of the relevant aged population.

A fine is a monetary penalty, the amount of which is determined by the court according to the gravity of the crime committed and the material status of the convicted person.

The First Stage of Higher Education – V-VII levels of education defined by the International Standard Classification of Education (ISCED) - programmes designed to provide intermediate and advanced academic and/or professional knowledge after the secondary education (professional programs, bachelor programs and master programs).

General education – education with the aim of educating and training the citizens of Georgia for professional and public life following general education. A complete general education in Georgia comprises 12 years of schooling.

Graduate - academic degree owner that is awarded to a person as the results of completing the credits established for the higher academic education level.

Hired - a person who during the reference period performed a certain work for at least one hour for wage or salary, in cash or in kind, or a person who has a job but was temporarily absent due to a holiday, illness, technical, economic or other similar reasons.

Hours actually worked - include the time that persons in employment spend directly on and in relation to productive activities; down time; and resting time during the reference period.

House arrest - imposition on a convicted person of the obligation to stay in his/her place of residence during a specific period of a day.

Household – a person or group of persons who observe the rules of common living and occupy a single dwelling and are connected by the shared budget (or a part thereof), and by relative or non-relative relationships (a household may consist of one person).

Illness - deterioration of health over a period of time.

Informal employment in non-agricultural sector refers to all workers not covered or insufficiently covered by formal arrangements through their work (didn't pay income tax from remuneration; employed didn't benefit from paid annual leave or employed didn't benefit from paid sick leave in case of illness;

or employer didn't contribute to the pension fund) or employed defined her status in employment as a contributing family worker or the enterprises where they worked weren't registered.

Internet users – Individuals who used internet independently at any place (at home, at work or at other places) at least once in a reference period via any device (mobile phone or smartphone, computer, etc.).

Immigrants - a person, recorded when crossing the National border, who entered the country and has cumulated a minimum of 183 days of residence in the country during the twelve following months, and who was not usual resident of the country when entering the country, which means that he spent at least a cumulate duration of 183 days of residence outside the country during the twelve months before entering the country.

Juvenile convicts – persons who have not turned 18 years of age at the time of the crime.

labour force – is defined as the sum of employed and unemployed persons.

Outside the labour force – a person who during the reference period (7 days preceding the interview) was not employed and within the previous four weeks did not actively search for work and/or was not ready to start working within the next two weeks.

Labour force participation rate – expresses the labour force as a percent of the relevant aged population.

Larceny - an apparent theft of someone else's property

Live birth - complete expulsion or extraction from its mother of a product of conception, irrespective of the duration of the pregnancy, which after such separation breathes or shows any other evidence of life – e.g., beating of the heart, pulsation of the umbilical cord or definite movement of voluntary muscles – whether or not the umbilical cord has been cut or the placenta is attached. Each product of such a birth is considered to be live-born.

Marriage - a voluntary union of a woman and a man for the purpose of creating a family, registered in the territorial offices of the Public Service Development Agency, a legal entity of public law governing the Ministry of Justice of Georgia.
